Meet Mrs. Werth...

All about me...

I live in Midland with my husband, Kevin, my daughter Hailey (A recent CMU Graduate) and Charley, our boxer. We have been married for 33 years. We have three adult children, Alex, Cam, Hailey and four grandchildren. I grew up spending summers in Beaverton with my grandparents and as an adult I still love summers here in Beaverton.

Years Taught: 26 years, with 25 of those years KINDERGARTEN!!

My WHY for teaching...

I teach because I love to guide each student towards being their best selves, compassionate friends, and to LOVE learning! I want them to know all about perseverance, all about doing hard things and that mistakes are welcome. I teach to provide a loving and consistent environment for them to blossom in and feel safe in. How blessed am I to be trusted with a classroom filled with amazing humans who are mountain movers and the future of our little community! Children should leave each day with a smile on their face and a story in their heart!
