

Dear Families and Students,

My name is Mrs. Pereira, I will be in the fourth and fifth grade as a Building Based Substitute Teacher. I am currently working towards my teacher certification and have been a part of education for many years. I am so excited to get to meet you all and I am looking forward to this school year. This year will be exciting and different from previous years but I want you to know that as a team, we will work together and have a wonderful year. During times of teacher absences, I will be working with your students. Our positive attitudes and willingness to try our best will make the best learning experience for all of us!

Please feel free to contact me with any questions or concerns! This year communication is key to making this a successful school year. Although things might look different, my dedication to all of you students is stronger than ever.

Sincerely,

Mrs. Pereira
