What, so what, now what…

Deepen our understanding, track progress, and inform instruction by analyzing student data reports and student work.

What? As a result of the data, what do we know?	**So What?** How do we interpret this information?	**Now What?** Action plan:
Facts:	Interpretation:	Instruction:
Trends:	Implication of Trends:	Interventions:
Questions:	Possible Conclusions:	Assessments:

From Center for the Professional Education of Teachers at Teachers College at Columbia University, created by Roberta Kang

WHAT? During my visit, what did I see?	SO WHAT? How does this impact student achievement and engagement?	NOW WHAT? What are the next steps for more impactful instruction?
Facts:		*Sample Student Work:*
Trends:	Wonderings:	*Instruction Focus:*
		Assessment Adaptations:
