Focus Room

- Enter all students who need to attend Friday focus room by 3:30 on Thursday. If you do not meet this deadline, please wait and record the student(s) for the following week.
- Inform students during 1st period on Friday if they need to attend the focus room. All 8th graders should have a core class, so this should not affect encore teachers.
- If you need to see students during EI, please provide them with a written pass; students who do not have a pass will only be able to use one of their allotted passes to see a core teacher or grade level EI teacher.

Best Practices/Student Requests
Play soft music without words
Avoid to much movement as it is distracting
Work ethic - use time wisely
