

Change Password - LCPSTGo

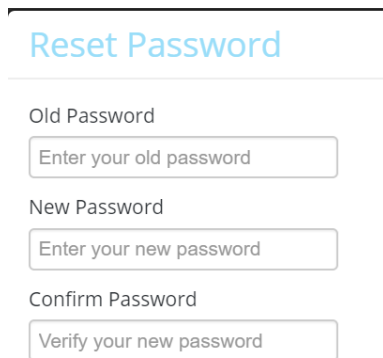

- Login to [LCPSTGo](#)
- Click on the arrow in the upper right hand corner, select “My Profile”

- Scroll about halfway down the screen and click the “Reset Password” button

A settings menu with a light grey background. It contains several sections: "Email" with a text field containing "Stacey.Clark@lcpst.org"; "Password" with a button labeled "Reset Password"; "Default Language" with a dropdown menu showing "English (US)"; and "Default Time Format" with a dropdown menu showing "12 hour". At the bottom is a green button labeled "Save Settings".

- Enter old password and type new password twice. The old password is the same password you just used to login to LCPSTGo.

A "Reset Password" form with a light blue header. Below the header are three text input fields: "Old Password" with placeholder text "Enter your old password", "New Password" with placeholder text "Enter your new password", and "Confirm Password" with placeholder text "Verify your new password".

- For password Recovery
