3. Old Business

- T-Shirt Update- thank you!

4. Principals Report- see attached

5. New Business

- Staffing 2024-2025

-Stacy and Scott went for staffing meetings; update will come at the next SAC meeting

- SAC Innovation Grant- Deadline April 18

-We will come up with ideas for the next round of funding (in hopes this will be available next year for 2024-2025)

- Behavior Plan for School & Update

-This was added in error

- SSP/Data Update (Scott)
 - SSP document is very structured and was not really conducive to the way we report our data
 - Shows each of the 3 goals much better and the flow of what we have done this year
 - Behavior data- tracking this data since last fall: location and frequency
 - In term 2, there was a feeling of regression by the staff of the students
 - Saw there was a correlation between staff stress and the increase of the behavior from the students
 - 2nd half of the term, there was a decrease in the student behavior and an increase in staff morale
 - Literacy data- when we look at the data there is some movement in reading; we are still fighting deficits in all areas of reading and writing
- Spring PD SAC Session- April 23 (Stacy and Traci)
 - Traci asked that if anyone had any topics to bring forth for the meeting that they could do so by emailing Traci
- SAC September 27
 - If anyone is interested, they can register through the link in the letter
 - We will bring it back to the June meeting to see if anyone is interested
- Financial Update:
 - Balance-\$3647.38
 - Substitute use for SSP work

- Proposals
