Wednesday	Complete reading comprehension worksheet Math: Unit 7 Parent initial: _____
Thursday	Complete reading comprehension worksheet Math: Unit 7 Lesson 7 Parent initial: _____
Friday	Read for pleasure 20 minutes or more each day over the weekend!

Dear Families,

We are down to the final 3 ½ weeks of the school year. It is hard to believe how quickly this year has passed. This week the 4th graders will be completing the NECAP science assessment and then we are done with the assessments for the year!

This Thursday we will be going on a walking field trip to the School Harvest Farm to spend some time planting and learning about gardening. We will be eating our lunch at the farm, so your child will need to bring a bag lunch, if they didn't order one through the school cafeteria.

If you have any questions or concerns you can email me at etuma@wsesu.org.
Thanks and have a great week. Mr. Tuma

Upcoming events: May

26th- Field trip to the School Harvest Farm
