Intro: C C/E Dm G7sus4 G7 C C/E Dm G7sus4 G7

 C C/E
This city life sure had us beat
 Dm G7sus4 G7
So we made a secret garden retreat
C C/E
Up on high where nobody can see
 Dm G7sus4 G7
An Eden paradise just for you and me

Chorus:

 C F C
And we're feeling at ease, up here on the roof
 F G
Enjoying the breeze, well ain't that the truth!
 C F Am
And though we're revealing the scars of our youth
 Dm G7sus4 G7
It means there's no more dirty laundry
 C C/E Dm G7sus4 G7
Up here on the roof

C C/E
You and I, we can sit so pretty
 Dm G7sus4 G7
Far away from the prying eyes of the city
 C C/E
There's nothing we can't say or do
 Dm G7sus4 G7
But just stay far away from that barbeque!

Chorus:

 C F C
And we're feeling at ease, up here on the roof
 F G
Enjoying the breeze, well ain't that the truth!

C F Am
And though we're revealing the scars of our youth
Dm G7sus4 G7
It means there's no more dirty laundry
C G/B
Up here on the roof

Am Em
Who needs all those designer clothes
Dm G7sus4 G7
That just wear and tear and then turn to mould?
Am Em
The sun and the wind are so good for our souls
Dm G7sus4 G7
So we'll just stay out here 'til it gets too cold

Chorus:

C F C
And we're feeling at ease, up here on the roof
F G
Enjoying the breeze, well ain't that the truth!
C F Am
And though we're revealing the scars of our youth
Dm G7sus4 G7
It means there's no more dirty laundry
C C/E Dm G7sus4 G7
Up here on the roof
