Who Were The Babylonian Assyrians?

One of the most misunderstood issues in the old testament, concerns the Genealogy of Noah's sons.

In particular, questions regarding the Assyrians. And who their descendants are today?

It's interesting to watch or listen to analysts and historians discuss ancient history, but they never reference the KJV Bible.

And ya wonder, why all the bogus counterfeit teachings, non biblical and "lower case" christian doctrines?

There is so much satanic misinformation in the world today.

Our intention, is to clear some of it up utilizing

the "Word of God!"

The KJV, all of it, is (the) historical document. Documenting issues relevant to man's existence on the earth many thousands of years ago.

Ancient history!

So "what's say" we read some bible?

To begin with, in Genesis chapter 10, we find that Asshur is the progenitor of the ancient Assyrians. From whom came the (original) Babylonians.

And the sons of Ham; Cush, and Mizraim, and Put, and Canaan. And the sons of Cush; Seba, and Havilah, and Sabtah, and Raamah, and Sabtecha: and the sons of Raamah; Sheba, and Dedan.

And Cush begat Nimrod: he began to be a mighty one in the earth. He was a mighty hunter before the Lord: wherefore it is said, Even as Nimrod the mighty hunter before the Lord. And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar.

Out of that land went forth **ASSHUR**, and builded Nineveh, and the city Rehoboth, and Calah,

Genesis 10:6-11 KJV

https://bible.com/bible/1/gen.10.6-11.KJV

What is also conveniently overlooked is that there are two (2) Asshurs in the lineage of Noah and his sons.

One (Asshur), is of the lineage of Shem.

One (Asshur), is of the lineage of

Ham.

Shem was Noah's oldest son.

Ham, Noah's second oldest son.

His third son was named Japheth. The father of the gentile…white people, (all.)

As we will often remind everyone, if ya didn't come through these folks you simply did not get here!

https://bible.com/bible/1/gen.10.1-32.KJV

These are the families of the sons of Noah, after their generations, in their nations: and *by these were the nations divided in the earth after the flood.*

Genesis 10:32 KJV

But you can not be the lineage of Shem and Ham and the lineage of Japheth!

Example: there are people who insist the children of Israel and the Canaanites were the same folks.

Because God gave father Abraham and the Israelites Canaan's land through an inheritance.

These people "error not knowing the scriptures nor the power of God."

Because the truth is always (biblical!)

Canaan was the son of Ham.

Jacob/Israel was the great grandson of Shem.

Now that we've got you truly confused, you can read it clearly in our tutorial titled:

THE SONS OF NOAH

But when inquiring about the ancient Assyrians, it is the lineage of Cush that most people unknowingly inquire about.

The original “Babylonians.”

From whom came Nimrod.

The first king of Babel.

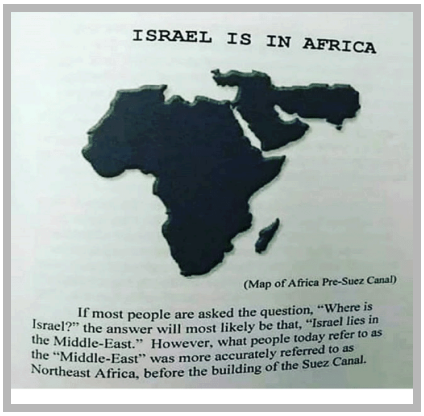

As in “Tower of Babel.”

Nimrod was a Cushite! BLACK!

As you may know, the territory referenced in the bible as the "land of Ham" was later called (Africa.) A continent, with many various nations derived of black people.

And before Mr Ferdinand de Lesseps got to tinkering around with it, the land of Ham encompassed the territory known today as Israel as well.

The land originally belonging to Canaan. The forth (youngest) son of Ham.

And when Abram was ninety years old and nine, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou perfect. And I will make my covenant between me and thee, and will multiply thee exceedingly.

And I will establish my covenant between me and thee and thy seed after thee in their generations for an everlasting covenant, to be a God unto thee, and to thy seed after thee.

And I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God.

Genesis 17:1-2, 7-8 KJV

https://bible.com/bible/1/gen.17.1-8.KJV

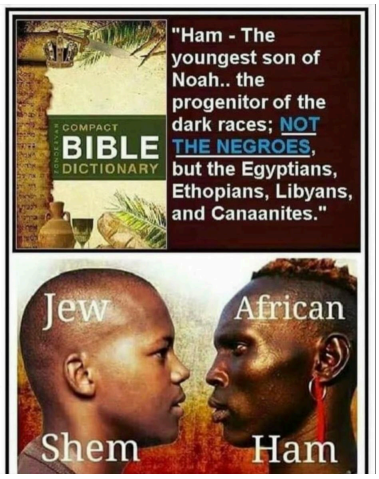

As an aside the land of Canaan was the inheritance (blessing) given to Abraham, passed down to Isaac, then Jacob.

The Lord God of Israel passed over the two nations that fight for control of the land today.

The Ishmaelites (Arabs) and Esau (assumed jews.)

"The Promised land!"

The land of Ham. A continent (originally) of not one non-black person!

All descendants of Ham, Noah's second son.

Ham is the progenitor of the people known today as Africans. "BLACK" PEOPLE!

The Cushites are ancestors of the folks known throughout the world today as ETHIOPIANS.

HAM'S CHILDREN:

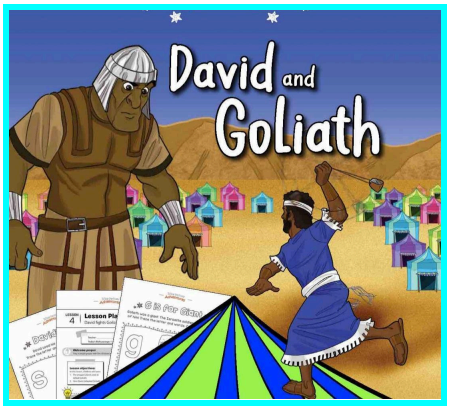

Cush / Assyrians / Ethiopians

Mizraim / Egyptians

Put / Libyans

Canaan

The ancient Assyrians, like their children the Ethiopians, would today be considered Africans. And like their cousins the ancient Egyptians and Philistines (Goliath), they were BLACK people.

But the Greeks gave the Ethiopians their name, originating from the word athiop meaning “burnt face.”

Ethiop is the Greek name for the descendants of Cush Ham's eldest son.

Ethiopia is the English transliteration of the Greek word "Αιθιοπα" (or Aithiopia) which originates from the Greek word "Αιθιοψ" or "aithiops" which literally means "charred or burnt." "Aithiops" is in fact composed of "αιθιω" (meaning "I burn") and "ωψ" (meaning face or complexion).
