

General Meeting & Event Cancellation Policy

Generally it is our goal not to cancel meetings or events once they are scheduled, however in some cases it might be out of our control.

Some reasons a meeting or event might be canceled:

1. Public health emergency
2. Our venue closes
3. Bad weather - more likely to happen in the winter
4. Speaker or presenter cancels on us and we aren't able to find a replacement.

We will try to inform all about any change in status as soon as we can. If you are a member or signed up for our contact list and allow texts we will try to text people. The most up to date information will be on the meeting or event page on our website. If the weather might be dicey check our website for any updates before you leave the house.

If any money was paid to take part in the meeting or event, we will make an effort to return the money to you as soon as we can. You may also allow us to keep any payment as a donation.

Winter Weather Meeting Policy

Having in-person meetings during the winter in Ohio can be extra tricky. We hope for the best but plan for the worst. We don't want people taking risks to come to a meeting if the weather is bad.

Since we depend on venues like the library for our meeting space, if the venue closes then our meeting could be canceled.

If there is a weather advisory like for extreme cold or a snow storm, check our upcoming event on our website for any updates. Depending on the topic and if we have a speaker we might switch to Zoom. If that happens the Zoom link will be posted on the meeting page on our website. There is no guarantee that we will switch to a Zoom meeting.

The President, in consultation with the Board, will decide if a meeting or event should be canceled or moved to Zoom.

If Lucas county is put into a level 3 snow emergency then assume any in-person meetings and events are canceled and check the website to see if it is being moved to Zoom or other alternatives are being taken.

It is up to attendees to make sure our meeting and/or event is still taking place at the time and date scheduled.
