To: All Jasper School District Students and Parents
From: Mrs. Kim Liggett, Interim Superintendent
Subject: Receipt of Jasper School District Handbook and Discipline Policies

As part of Arkansas law (§ 6-18-502), all school districts are required to adopt written discipline policies and ensure families receive them. In addition, the Arkansas Standards for Accreditation require schools to keep signed statements from both parents and students confirming that they've received a copy, either in print or electronically.

At Jasper School District, our Student Handbook, which includes our discipline policies, is available online for easy access. If you prefer a printed copy, just let us know in the space below, and we'll be happy to provide one.

By signing below, you're acknowledging that you've received the handbook and understand the expectations it outlines. These responsibilities apply during school hours and at all school-sponsored events, including those held off-campus and outside regular school hours.

We ask that both students and parents sign and return this form as soon as possible.

Thank you for your partnership in helping us create a safe, respectful, and supportive learning environment for all students.

This is to confirm that I have access online or would like to request a copy of the Jasper School District Student Handbook by initialing below.
