

*Please use this form if you have **never** been a Green Advisor.  
We are looking for thoughtful and well-written responses. Thank you for applying!*

1. Why do you want to be a Green Advisor?
2. What skills would you bring to the GA position?
3. What skills or knowledge do you hope to gain from taking on this role?
3. What do you see as the most important responsibility of a GA?
4. The term 'sustainability' encompasses many goals. What is one sustainability objective that you are passionate about and why?
5. Social justice is fundamental to sustainability. How have you seen environmental (in)justice play out? Please share an example at the local or global scale.
6. What does a truly sustainable future look like to you? Please share your vision either for Swarthmore or for another community that you are connected to.
