Title (Time New Roman 12)

Ventianus Sarwoyo, Abdul Haris Faisal
Binus University, Jakarta, Indonesia
xxxxxx@ac.id

Manuscript Received: .....; Revised: .....; Accepted: .....

Abstract

The manuscript has to be completed with abstract with less than 150 words each in English and Bahasa. Abstract should contain comprehensive information about the work. It should state briefly the purpose of the research, the principal results, and major conclusions.

Keywords: aaaaa, bbbbb, ccccc, ddddd, eeeee

Abstrak
Naskah harus dilengkapi dengan abstrak yang masing-masing tidak lebih dari 150 kata dalam bahasa Inggris dan Bahasa Indonesia. Abstrak harus memuat informasi yang komprehensif tentang karya tersebut. Abstrak harus secara singkat menyatakan tujuan penelitian, hasil utama, dan kesimpulan utama.

Kata Kunci: aaaaa, bbbbb, ccccc, ddddd, eeeee

List of content, in general, should include: General Identities (Title & Author(s) Information); Abstract (including Keywords & JEL Classification); Introduction; Method; Result and Analysis/Discussion; Conclusion & References. Certain types of manuscript at minimum must cover Introduction; Analysis and Conclusion; & References. The explanation of each are as follow:

(a) **Title**. The title should not exceed 12 words.
(b) **Author(s) Information**. Author(s) Information should include the name, affiliation as well as full email and postal address of each author. Clearly indicate the corresponding author who will handle correspondence at all stages of refereeing and publication.
(c) **Abstract, Keywords**. The manuscript has to be completed with abstract with less than 100 words each in English and Bahasa. Abstract should contain comprehensive information about the work. It should state briefly the purpose of the research, the principal results, and major conclusions. Provide 2–5 keywords.

How to cite this article:

Introduction

Introduction should contain only the necessary background information to deliver clearly the purpose of work.

1. The manuscript covers original idea related to the Humaniora and Social Sciences, supported by theoretical and/ or empirical analysis.
2. The manuscript has not been considered to be published in other journal.
3. Manuscript must be written in English. Total length of a manuscript is between 8,000 and 12,000 words including illustrations and references. This length is not applied certain types of manuscript such as policy notes. Manuscript should be typed in Microsoft Word using the font character of Times New Roman, 12 size, and 1.5 space.

(a) **Introduction**. Introduction should contain only the necessary background information to deliver clearly the purpose of work.
(b) **Method**. Give details of the methods you have used (sample, procedures, etc.).
(c) **Result and Analysis**. Elaborate the whole findings of your research both quantitatively and qualitatively.
(d) **Conclusion**. The recommendation is optional. It also can provides readers with the current limitations and future directions on the study. It should be based on the data presented but not necessarily confines to them.
(e) **Citation**. Citation follows APA Style.
(f) **References** follows APA Style (Times New Roman font character, 11 size, 1 space). Reference format depends on the source of citation.

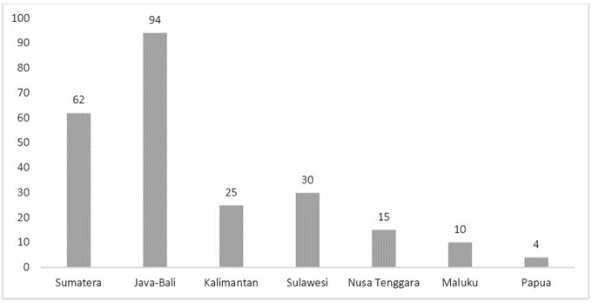

Figure 1. Figure in white and black form
Note: aaaaaaaa
Source: EFI LPEM (2025)

4. **Tables and Figures** have to be completed with title, using Arabic numeral orderly, and source in white and black form. Editor of EFI could ask the original tables and figures files from the author(s). The total number of tables and figures should be less than 12.
5. **Abbreviations in Bahasa** should be typed in italics and, if needed, can be accompanied with proper translation in English.
6. Equations and all mathematical formula has to utilize Equation Editor in Microsoft Word.
7. If the manuscript is published, the copyright of it will be transferred to EFI.

Method

Give details of the methods you have used (sample, procedures, etc.). Equation 1

$$L_i = ln\left(\frac{P_i}{1-P_i}\right) = \beta_0 + \beta_1 x_1 + \ldots + \beta_k x_k + \varepsilon_i \quad (1)$$

The variables included in the analysis are detailed in Table 1.

Table 1. Respondent

Characteristics	Frequency	(%)
Gender		
Male	173	50.6
Female	169	49.4
Education		
Diploma	32	9.4
Under-Graduate	278	81.3
Post-Graduate	32	9.4
Marital Status		
Single	122	35.7

Married	220	64.3
Income per month		
IDR 5-15 million	203	59.3
IDR 15-25 million	127	37.1
IDR 25-35 million	10	2.9
>IDR 35 million	2	0.7
Types of Investment products purchased	177	51.75
Deposits	135	39.47
Cryptocurrencies	14	0.04
Obligations		

Results and Analysis/Discussion

Elaborate the whole findings of your research both quantitatively and qualitatively.

Conclusion

The recommendation is optional. It also can provides readers with the current limitations and future directions on the study. It should be based on the data presented but not necessarily confines to them.

Implications

This study presents several key implications, both academically and for policy practice.
