

Netherlee Nursery Class
Fri 24th March – Fri 31st March 2023

Acorns

Children may engage in some of the following play experiences.

Spark: The children have been noticing windmills in books and talking about them.

Focus: Windmills

The children will be making windmills outside using their design, fine motor skills and researching renewable energy.

Spark: The children have been using real flowers as inspiration for 'still life' drawings.

Focus: Spring Colour Mixing

The children will be mixing different paint colours to create different shades that better match the pastel colours of spring.

Spark: The children have been doing yoga activities.

Focus: Yoga

The children will continue to practice their yoga moves, learn new balances, stretches and fun ways of moving their body.

Spark: The children have been planting a herb garden.

Focus: Flower Planting Experiment

The children will be investigating what flowers need to grow. They will carry out an experiment and see if plants will grow without water, sunlight or soil.

Spark: The children have been exploring non-fiction and fiction stories.

Focus: Animal Stories and Animal Facts

Children will be reading lots of different stories about animals. Some will be fiction and some will be non-fiction. The children will be trying to identify some differences between the two.

Spark: It is almost Easter Sunday.

Focus: The Story of Easter

Netherlee Nursery Class
Fri 24th March - Fri 31st March 2023

The children will be hearing and reading the Christian story of Easter. They will be discussing everyone's to belief and worship.
