Scroll down to the bottom to get to the ELPAC Practice and Training Tests. Select a test you would like to practice for the day.

Desplácese hacia abajo hasta llegar a las Pruebas de entrenamiento y práctica de ELPAC. Puede trabajar en ambas pruebas si lo desea. Haga clic en una sección para comenzar

The practice test includes examples of all the types of test questions that may appear in the actual test at each grade or grade span and mirrors a full-length operational test. The training test is shorter compared to the practice test and includes some sample test questions for each domain.

8.

Choose Settings:
Review the following test settings. You can change the options, if necessary.

No es necesario cambiar nada. Simplemente haga clic en seleccionar.

9.

Audio/Video Checks
Your test uses multi-media features. Please perform the following checks before continuing.

Sound and Video Playback Check

Make sure video and audio playback are working. To play the sample video and sound, press the play button.

Next Step:
If you were able to play the video and its sound, choose **I could play the video and sound**. If not, choose **I could not play the video or sound**.

Click the sound and video playback check

Haga clic en la verificación de reproducción de sonido y video

10.

Audio/Video Checks
Your test uses multi-media features. Please perform the following checks before continuing.

Sound and Video Playback Check

Make sure video and audio playback are working. To play the sample video and sound, press the play button.

Next Step:
If you were able to play the video and its sound, choose **I could play the video and sound**. If not, choose **I could not play the video or sound**.

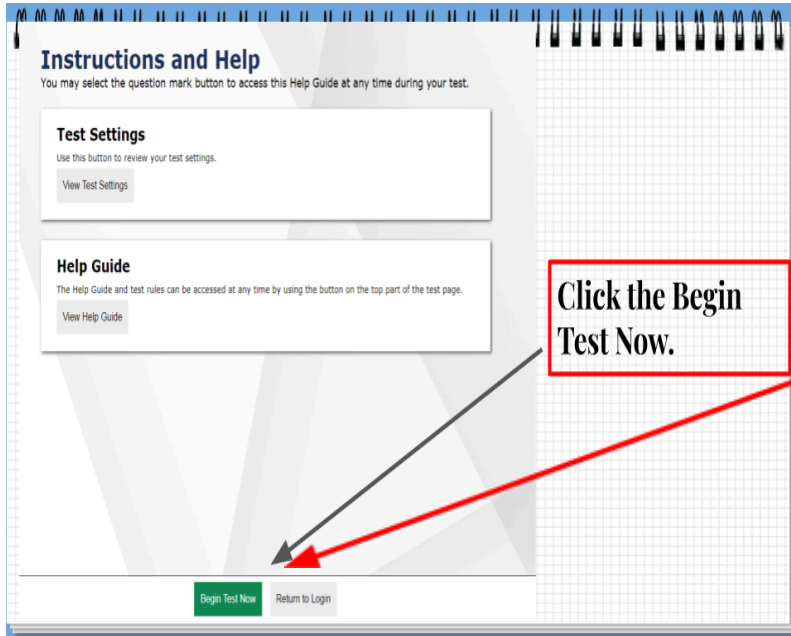

Once you have heard the sound, click the I could play the video and sound button.

Then click continue.

Una vez que haya escuchado el sonido, haga clic en el botón Puedo reproducir el video y el sonido

Luego haga clic en continuar
