Dear MHS Community,

Earlier this afternoon, Tuesday, November 12 we experienced a Hold In Place at Massabesic High School at approximately 12:50 pm during Block 4. This Hold in Place was utilized to address student privacy. The Hold In Place was lifted by 1:05 pm and students and staff continued their day as scheduled. As always, we appreciate the respect demonstrated by students and staff to conduct the procedure efficiently and correctly.

Regards,

Ty Thurlow
