## ABOUT ME

I am Unity developer with a lot of enthusiasm to work. I have some experience, but I'd like to have more.

So far, I've been creating mini games designed for mobile devices.

I have experience with AR and Mixed Reality applications with Unity.

Currently I am self employed in Single Byte Solutions.

## SKILLS AND TECHNOLOGIES

UNITY

C#

MIXED REALITY

WPF

HOLOLENS

AR

VUFORIA

AGILE

GIT

JIRA

VBA
