https://theworldofpuppetry.weebly.com/japanese-bunraku-puppets.html
-bottom of the page has a good video of the Timon puppet

http://www2.ntj.jac.go.jp/unesco/bunraku/en/doll/index.html
-good image of the inside of a bunraku puppet

https://www.youtube.com/watch?v=3afPGaXj6u
-Shows the mechanisms inside a puppet's head

https://www.youtube.com/watch?v=pFEnZfS5IXQ
-probably isn't helpful but is an idea of an easy puppet

https://www.youtube.com/watch?v=JYwNuP7cwJs
-Shows how to make Sesame Street Puppets and how their face moves (long)

https://www.youtube.com/watch?v=L9O3KWrvxKA
-Another long one and shows you how to make a Totoro Costume

https://www.youtube.com/watch?v=MXnYIhkr25w
-Cool puppet video (we need the dragon to breath FIRE)

https://www.youtube.com/watch?v=lWfjwVoiSL4
-Shows how to make eyes move

https://www.youtube.com/watch?v=4UgBwGYe4uQ
-Looks like what I think we are doing but doesn't show you how to make it

https://www.youtube.com/watch?v=H6pCzY-N-HE
-Moving the mouth of a puppet without using your hand

https://www.youtube.com/watch?v=U0LauhbnKxI
-Cool probably not helpful has a special effect's artist explain movement

https://www.youtube.com/watch?v=h7u6N-cSWtY
-Found the Ted Talk horse video

https://www.youtube.com/watch?v=5t9vUyHM2XA
-Rod puppet DIY

https://www.youtube.com/watch?v=O0OZqP0pl54
-Nice mechanical moving wings video
