Heaney shield

A week after the camb we were out again for the heaney shield .

We had two teams, Roundfort1 and Roundfort2. On

Roundfort1 there was Ava, Keeva, Annabell, Chloe, Ruby, Ede, Cliona, Michaela, Chloe B, Orith,

and Sabirse on Roundfort2 there was Ava, Keeva, Annabell, Michaela, Ruby, W,

and Sabirse.

At the end of the week we went to the county final for our match.

Roundfort2 won Roundfort1 taking the Heaney shield. Our next match was against Gortskerry. We won.

Roundfort1 next match was against Gortskerry. We won. Roundfort2 next match was against Robean. For the first Roundfort2 were

allowed to play Gortskerry but they were already in the final. In the final Roundfort2 were

allowed to play Gortskerry but they were already in the final. In the final Roundfort2 were

allowed to play Gortskerry but they were already in the final. In the final Roundfort2 were

We would like to say thanks to Chris and Ray Connelly, the supports/parents and the teachers

By Annabell, Cliona and Éirinn-jade.

“Time to say Goodbye”

On the 24th of June the 6th class graduated. Annabell started with the opening, next Ava said a prayer, Then I called everyone up with each of them holding symbols that represented our time in Roundfort. After that Brid Clesham said a few words, And then we sang our song which was somewhere only we know. By then Mr.Canny said a few words and welcomed everyone into the side room as the projector wasn't working. Mr Canny showed us all a slideshow- video of all of us from babies to the first day of school till just the other day. Next we got presented our certificates of graduation and our booklet. After that there was pizza , drinks, teas and coffees and sweets. Then to finish the night all the 6th class and a few others went outside to play soccer on the pitch. Overall it was a great night and I really enjoyed it.

Animal Projects in 1st & 2nd Class

For every one of the students that passes through Roundfort NS, one project that always stands out is the project on wild animals done in 1st & 2nd class. The fact that Ms. Forde has gathered together a very impressive collection over the years lends to the interest levels so high. Students become attached to the fine work of taxidermists and go so far as giving pet names to their chosen animal.

Not only do the children presenting learn from the experience but those listening have their past experiences reawakened. Well done to Ms. Forde and all of this year's 1st & 2nd Class.

Thanks for reading our latest issue, hope you enjoyed!

Happy Holidays!!!
