.WORKSHEET on INTERNET Safety

1st picture: Can you describe the picture? What is it about? What is the message?

there is a hand out of the screen saying that hackers can go further than you think

2nd picture: Can you describe the picture? What is it about? Do you follow these suggestions when you post something?

do not believe what you see on the internet

***What dangers have you met or can you think of when you surf the internet?**

***Which of these do you think are dangerous? Put a X ✓ or X and explain why you think so.**

☞ Having a public profile on social media ✓ because they can steal personal information

☞ Make friends online ✓ because they can lie about their age and personality

☞ Buy things online ✓ **Because you might get scammed**

☞ Play games for hours ✓ because you are going to have a headache

☞ Find information/news ✓ **because some news might be fake**

☞ Posting personal information ✓ **hacker can steal it**

☞ Chat in chat rooms **X As long as you know the person you are chatting to**

its fine

***How can you protect yourself and your friends from internet dangers?**

***Watch the film Το Παντοπωλείο on [To Pantopoleion - The Grocery Store subtitled in all EU languages - YouTube](#)**

[Saferinternet.gr - Για ένα ασφαλέστερο Διαδίκτυο](#)

In the film six people go into the shop to buy things. Each one points to a problem with internet safety. Discuss with your friends and write the problems. Can you give advice on how to surf the internet to the children at the school now?

1. **Situation: he wanted photographs of his friends and family**

problem :he wanted personal photos his friends

advice: don't post pictures of you, friends or family on social media

2. **Situation: a woman wanted a car**

problem : she didn't know if there was a car

advice: do not trust unknown sites on the internet

3. **Situation:he wanted to see inappropriate movie s**

problem :he was under 18 years old

advice: don't see videos that are inappropriate because they are bad

4. **Situation: She wanted information on how to get skinny**

problem :she was fat and ate a lot of food

advice: do not trust peoples advice and make sure their are from popular sites.

5. **Situation: he wanted young girls**

problem : he was 50 years old

advice: Do not trust random people online because they say they are young.

6. Situation: A GIRL ASKED FOR FRIENDS

problem but you don't know the friends

advice Do not be friends with strangers
