

3rd Sep 2015

Dear Parents, Guardians and Students,

Re: School Photographs 2015

Next week (7th-10th September) our school photographers are back in town to take professional shots of individual students and staff as well as group photos and sibling or family photos. Please find attached our schedule of the visit for homerooms and sports teams and ensure that you are looking your best on the day of your photographs in full school uniform or, for sports teams, in your team outfit. Also attached is a promotional poster with further details from the photographers.

Time slots have been set aside to take sibling photographs on Monday and Tuesday between 3:40pm and 5:00pm. We are also opening the campus on the morning of Saturday 12th September from 9:00am to 1:00pm for the taking of family photographs. Sibling and family photographs are by appointment only which can be made by calling the school or dropping by at Reception.

There is no charge for sitting for these photographs. Instructions for viewing and ordering copies of the photos online will follow after the session. Please note that the photographers will visit us again in the second semester for any students who may miss next week's visit and for additional group photographs.

Sincerely,

Mario Gauci
