7th Grade PSAT and Trip to the High School

On Wednesday, May 21, all 7th grade students will be taking a practice PSAT test. It will be important that students arrive at school on time because the test will start promptly at 7:45 a.m. The scores from this practice test will be communicated with students and parents. Once the practice PSAT test is finished, students will eat lunch before heading over to the high school for a tour and some information on what to expect at CHS next year. Students will return back to the middle school just prior to dismissal on that day.

Freshmen Class Fundraiser

The CMS Staff loves to do FUN things! Therefore, they have agreed to support the Freshmen class fundraiser by taking a pie to the face. 4th-7th grade students can purchase \$1.00 raffle tickets for a chance to pie one of our CMS staff members during a whole school assembly on Friday, May 30. Tickets will be on sale from Tuesday, May 27 until Friday, May 30 at noon.

Library Books

Please look around the house and send in any school library books ASAP. These were due on Friday, May 16. Any books checked out to your child that are not returned will result in a fine that is equal to the replacement cost of the book. Please contact Mrs. Basso (tbasso@corunna.k12.mi.us) with any questions.

B.O.O.S.T. Club (6th and 7th graders only)

B.O.O.S.T. Club will be in session this week (May 19-23). The club will meet on Tuesday and **Wednesday** this

week from right after school until 3:30 p.m. Please [contact Mr. Herrick](#) with any questions.

Fines - End of the Year

If your student has lost/damaged a school item (library book, classroom book, textbook, calculator, chromebook etc.), these must be paid before field day or students will not be allowed to participate. Field day is scheduled for Tuesday, June 3. Please call or email Mrs. Dettman if you have questions about money due or need to make arrangements for a payment plan option. (idgettman@corunna.k12.mi.us)

Attention Current 6th Grade Parents - Time for Immunizations!

State law requires all incoming 7th grade students to be vaccinated against Tetanus, Diphtheria, and Pertussis (TDAP) as well as Meningococcal Conjugate **before starting the school year**. Students who do not have up-to-date immunizations may be excluded from attending school. Many students have already received these required vaccines during a well-child visit to their primary care provider. Parents and guardians can find out if a child has had these vaccines by looking at the child's vaccine record or by checking with the family's primary care physician. If you have an objection to any of the immunizations that are required by the Michigan Public Health Code, please contact the Shiawassee County Health Department to complete the process of obtaining an immunization waiver. This waiver must also be completed and submitted to the office by the start of the school year. Please consider making sure your child has his/her shots or a waiver ASAP to avoid having them miss school this fall. Thank you in advance for your help with getting this completed on time!

Medicine in the Office

If your child had medicine that they took here at school during the year, please make arrangements to pick it. In keeping with policy all medications must be picked up from the school's main office by a parent or guardian no later than 14 days after the last day of school. **All medications not picked up will be disposed of after June 20, 2025.**

Yearbooks

Our yearbooks for the 2024-2025 school year are scheduled to arrive on time! This means yearbooks will be distributed to students on Wednesday, June 4. **If** we have any extra yearbooks, those will be made available on a first come basis on Thursday, June 5 and will cost \$35.00.
