If you are interested, please send your resume and cover letter to **rashr@rascpas.com** for further consideration. Make sure to list key accounting coursework in your resume. Also send a copy of college/business school transcripts. Someone from their team will be in touch to follow up on current opportunities. Interviews are scheduled and held in their offices, including conversations with team members at various levels within the Firm.

We highly recommend working with PCC career services on your cover, letter, resume and interview process. Here is our business student career advisor:
