

Dream Weaver Stage and Crafting Guide

updated 7.29.2018 by Myla S (u/Bellameru)

Future updates: I've almost completed all available stories in VN server, missing just one person's story. Guide will be "complete" in about one month. For now, I am still fine tuning and adding things to this guide, such as Total Stones Needed, and Dress Up Stage Tags/Attributes. Feel free to send me feedback/suggestions on reddit to u/bellameru. Thanks!
