

“Między Świtem a Ciszą” - English translation
Between Dawn and Silence

When the lights go out
I feel the smoke irritating my eyes again
Once again, there's no room to breathe
Crowded with words
I can't fall asleep

To start living again
Because this is what we need
To understand ourselves
Because this is what we need
To still believe in it
In the half-light

I can't fall asleep
I can't spend another day with only the mirror
Maybe it's finally time
To say... come with m
