

NuOnc, Co. Privacy Notice

Introduction NuOnc, Co. (“we,” “our,” or “us”) respects your privacy and is committed to protecting your personal information. This Privacy Notice explains what information we collect, how we use it, and the measures we take to keep it secure.

1. Information We Collect We collect the following types of personal information:

- **Username and Contact Information:** To communicate with you regarding any service issues or updates.
- **Health and Wellness Data:** Including glucose and ketone levels, as well as self-reported data provided through our application to optimize your user experience.

2. Purpose of Information Collection Your information is collected solely for the purposes of:

- Providing and managing our health coaching and wellness services.
- Analyzing aggregated user data to improve our services and support wellness research.

3. Disclosure of Information Currently, we do NOT disclose or share your personal information with third parties. Should this policy change, we will clearly inform you and update our Terms of Service accordingly.

4. Method of Disclosure In the future, if sharing becomes necessary, we will implement secure, encrypted, and protected methods of data transfer to safeguard your information.

5. Data Security Practices We prioritize the security of your personal data. Your information is protected by industry-standard security measures, including encryption and controlled access to data.

6. User Rights Currently, users do not have the ability to delete their personal data due to initial technological limitations. However, we recognize the importance of this right and aim to implement data management tools to enable users to view, modify, or delete personal data in the near future.

7. Geographic Scope Our services currently have a limited geographic scope and are not specifically targeted to users in jurisdictions with unique privacy regulations (e.g., GDPR in the EU or CCPA in California). Should our services expand to these areas, our privacy policy will be updated accordingly.

8. Children’s Privacy We do not knowingly collect or solicit personal data from minors under the age of 13. If we become aware that we have inadvertently collected such information, we will promptly take steps to delete it.

9. Contact Information For any privacy-related questions, concerns, or requests, please contact our designated Privacy Officer:
