

Privacy policy for Edge Screen

Edge Screen Terms of Service and Privacy Policy

Developer : **Nguyen Thanh** *Assistive Tool - Studio*

Edge Screen requests certain permissions from your Android device and collects certain information from you as a user to provide specific functionalities and conveniences. We understand your privacy is important to you and this document explains why Edge Screen needs the permissions it requests and how we collect, use, and protect your information.

I. Permissions Requested

Below is an explanation of the various permission types requested and used by Edge Screen:

1.Directly call, contacts

Needed for the contact shortcuts.

2.Network and WiFi

Used for turning on/off your network and internet connection.

3. Bluetooth

Used for turning on/off your Bluetooth connection.

4. Camera

Used for turning on/off flashlight with device less than Android 6.0.

5. Flashlight

Used for turning on/off the flashlight with Android 6.0 and up .

6. Get tasks

Used for showing your most recently-used applications.

7. Apps usage

Used for showing your most recently-used applications.

8. Accessibility

Used for performing back, expand notification, power menu.

9. Receive boot completed

Used to automatically launch Edge Screen upon boot. If Edge Screen does not work after restarting your phone, please check that this permission is enabled.

10.System alert window

Used to turn on floating window support required for Edge Screen functionality. At present, only MI and Huawei devices need this to be manually enabled, which we provide guides for. If your phone also needs this permission to be manually set, please contact us immediately.

11.Settings

Used to modify various mobile device settings in the Toolbox tab, such as Volume, Brightness, etc.

12.Internet access

Used for backup/restore to/from Google Drive

13.Find accounts on the device

Used for backup/restore to/from Google Drive

II. Information We Collect

We don't collect user's information. All information about your apps and settings for Edge Screen are backed up to your personal Google Drive account and no other place.

III. Policy Changes and Amendments

Our Privacy Policy may change from time to time. We will post any changes on this page, so please review it periodically. If you do not agree to this policy or any modifications made to it hereafter, please immediately stop use of our application or related services. Your continued use constitutes your acceptance of our policy and any revisions made to it. Please note that none of our employees or agents have the authority to vary the applicability of our policies.
