A few words from our President . . .

I just wanted to send a brief Hi and hope you're all doing well. Holy cow, does time fly by. Our board has been busy putting together the schedule for the upcoming 2025-2026 season. It is odd to be doing this while the temperatures are still in the 80s and 90s. We'd like to share with you a couple of things we've been up to this summer, including something you can look forward to this season. Enjoy the rest of your summer, and I look forward to seeing all of our members on the ice soon.

Be well and Good Curling,

Rick Nasman
CurlBerkshires President

What?.... A PCL league this season?

Based on input received, we are working to bring back a league this season that will likely run through November and December. It will consist of approximately 6 nights, on Wednesdays and possibly Saturdays. The league games will be based on a fun, participatory approach. Details are being worked out, but for this to work, we will need a good number of committed participants. More details will follow. In this pre-Olympic year, we want you to get excited about being part of play that attracts all skill levels. What does PCL stand for? You'll just have to wait and find out.

July 26th Summer Picnic

A break in the humidity brought a beautiful, sunny day—perfect for games of corn hole or a relaxing dip in the pool. As summer begins to wind down, one thing is clear: it's almost time to get back on the ice. Guests arrived with an impressive spread of delicious salads and desserts to share. This year, we were hosted by Tom and Anne Flynn.

We had a strong turnout with several new faces. We have a group of curlers who just like getting together and enjoying each other's company. Here are a few snapshots from the event and some of the wonderful people who joined us.

The 2026 Olympics are coming!

In February 2026, the Winter Olympics are back, and yes...curling is on tap. Winter Olympic years are always big opportunities for clubs, such as CurlBerkshires, to capitalize on the exposure to the sport. It generates curiosity and enthusiasm, prompting many non-curlers to try the sport for the first time. That's where clubs such as CurlBerkshires come in. We will look to capitalize on this opportunity through several Learn to Curls, during the season to leverage the Olympic spirit and energy. As another means to capture the spirit, we also hope to have a club-sponsored curling watch party at a local venue or brewery. There are still more details to be worked out. Our newest board member, Keith Chapman is hot on it!

Engrave a Stone Handle

This is a great way for members to support the club and inspire future generations of curlers with a personalized message that will live in perpetuity. For \$300, a handle can be engraved with 3 lines holding 18 characters on each line, including spaces & punctuation. Go to our [website](#) to register for your own stone handle engraving.

Sponsor a Stone

You can see your company or business's logo displayed prominently on one of our stones for the 2025-2026 season. We will also give you a "shout-out" on all our social media platforms. You can sponsor one stone for \$100 or two stones for \$150. Just follow the link to [Sponsor a Stone](#), by clicking on the blue button to complete the form, payment, and send us your logo, and you too can sponsor a curling stone.
