UHC Embedded Employee Assistance Program (EAP)

Employees and dependents enrolled in the UHC medical plan have access to three (3) additional EAP visits embedded in the health insurance program. To access additional sessions **for a previously consulted concern**, members will need to obtain a **separate** authorization by **calling** the **EAP number at 866-248-4096**. Authorization/activation for the additional 3 visits cannot be obtained on liveandworkwell.com. Please note, this is not a standard offering and as such, a benefit note has been loaded in our system alerting the EAP agents and to assist in navigating the process.

Remember authorizations are issued per concern, per member, per year and any new concerns will require members to call for authorization to access your visits.

See Pages 2-5 for Step by Step Guides to access your Optum EAP and WorkLife Benefits

- Browse Optum EAP site as Guest (Page 2)
- Register and request EAP authorization code <u>online (Pages 2-3)</u>

Logging into Optum's Live and Work Well (LAWW) EAP site to browse as a guest

Step 1	Go to <u>www.liveandworkwell.com</u>
Step 2	Click " Browse as a guest with a company code " located underneath "Register to Sign In"
Step 3	Enter guest access code USD231 and click " Enter " (if you ever find that you do not know the access code, click on " Forgot your access code " and select Gardner Edgerton USD231 from the drop-down list)
	Please note that you can browse as a guest to view your benefits, search for providers, access Talkspace and SelfCare by AbleTo, or explore all the articles, videos, and self-help tools that are available on a wide variety of topics. If you wish to obtain an authorization code, get help with finding the appropriate type of care, or schedule virtual visits online, you will need to register with a Healthsafe ID.

Register on the LAWW site & request an authorization code <u>online</u> for EAP sessions

Please note: An authorization code is required to schedule EAP sessions with all providers including TalkSpace

	Registering on the Live and Work Well (LAWW) site
Step 1	To obtain an authorization code online via the Live and Work Well site, you first must register on the site. Go to <u>www.liveandworkwell.com</u> , then click on "Register."
Step 2	Create an Optum HealthSafeID by entering your information into the requested fields. It will ask "Do you want to register with your Member ID or Social Security Number?" If you are not enrolled in the UHC medical plan, choose Social Security Number from the drop-down menu. At this point, you may leave the field blank OR enter the last six digits of your SSN and hit "Continue." If you are enrolled in the UHC medical plan, you may enter the member id number listed in your medical id card.
Step 3	Create a username and password, enter your email address, and select how you would like to have your identity verified should you have trouble signing in. Then click "Create my ID."
Step 4	You will be asked to select a method to confirm your information (email, call, or text). Then enter the confirmation code you receive and click "Submit."
Step 5	As the last step, you will be asked who your benefits are provided through. Select Gardner Edgerton USD231 from the drop-down box and then hit "Continue".
	NOTE: Please contact technical support at 1-866-894-5795 if you receive an error message or need technical assistance during this process. They can assist with browser issues or issues related to a previously created Health Safe ID through another Optum vendor or employer coverage.

	Requesting an authorization code online
Step 1	From the home page of <u>liveandworkwell.com</u> , click on "Find Care" on the top menu bar, then click on "Provider." This will take you to the Provider Search screen, where you can search for providers in your area by updating your zip code.
Step 2	Enter your zip code and then, enter Employee Assistance Program or EAP in the search field. Select the employee assistance option below and click the "Search" button.
Step 3	At the top right corner of the screen, you will see a box with "Sign in to access your no-cost counseling visits." Click on "Sign in to Start" and enter your HealthSafeID credentials.
Step 4	You will be taken to a screen titled "Get no-cost visits with a code." Read the information and then scroll to the bottom of the screen and click "Next."
Step 5	You will be asked if a series of conditions apply to you. If none apply, choose "None of the Above " and then select from the drop down what your most pressing concern is. Click "Next."
Step 6	You will be asked to verify your relationship to the policy holder (the employee) and provide your name, address, email address, and date of birth. If you are not the primary policy holder, you will be asked to provide the primary policy holder's information on the next screen. Then click "Next" and you will be provided with your Authorization Code. Your authorization code will also be securely emailed to you.
Step 7	From here, you can click on "Provider Directory" to get back to the provider directory to search for a provider. NOTE your newly issued Authorization Code will appear on the left side of the screen on the provider directory page. Please give this code to your provider on your first visit, to ensure the claims are properly submitted through the EAP.
	NOTE: Now that you have registered on the site, you can choose "Sign In" the next time you go on liveandworkwell.com. Your authorization code will automatically populate when you go into the Provider Search screen.
