

Valentine's Day Celebration Sign-Up

Thank you so much for volunteering to work our Valentine's Day Celebration! The party will be on Monday February 14 from 12:30pm-1:45pm.

Please sign up below for a "center" rotation below along with the Valentine themed activity you will be running; centers will be approximately 13-15 minutes each and then students will rotate to the next activity. The last column is for you to list any items you need donated by our classroom families for your center rotation; please list these by Friday February 4 so that I can put the request into next week's blog post.

Thank You,
Mrs. Hassenger

Center Rotation	Your Name	Activity (craft, game, snack, etc)	If you need items donated by our classroom families for your center, please list them here by Friday February 4
