Marin Girls Chorus is excited to be offering classes for girls K-1 Wednesdays at 1:30pm at The Cove. Come sing with us! For more information, click here [here](#).

Art with Harry, 1st-5th Grade

Students will explore fine art basics in several media, including watercolor, pencil, pen, markers, scratch art, polymer clay (Sculpey), and Model Magic. We will learn to draw and paint landscapes, portraits, Manga comic art, cartoons, and to bring imagined subjects to life. All levels of skill and experience welcome. For more information go to www.cmparksandrec.org or call 415-927-5072 option1 or [click here](#)

MAGIKIDS Ages 7-10yrs

Seeing a magician perform is a chance to experience the wonders of magic. Performing magic allows your child to become the life of the party and give your family and friends something wonderful to remember. Most of all, your child will enjoy amazing everyone. Paula Ramsey brings that world forward with her MagiKids' Course in Magic. For more information go to www.cmparksandrec.org or call 415-927-5072 option1

Chess for kids, Grades K-5th

Awaken your child's inner genius through chess where she/he will learn to focus and concentrate, observe, plan and think critically before acting, patience, thoughtfulness, to visualize and consider the bigger (strategic) picture, establish long-range goals and to broaden their decision-making criteria, to learn from mistakes and to view them as part of the learning process, be creative and to show good sportsmanship and respect for others all while having fun! Our former students are currently attending/have graduated from Stanford, Harvard, UC Berkeley, Yale, Princeton and MIT to name a few.

Instructors: Lanette and Jeff Gordon of Marin Scholastic Chess have taught chess in Marin for over twenty years and have created more than

350 lessons. They organize the Marin County Scholastic Chess Championship for any child K-8 who resides or goes to school in Marin. They also host an end of the school year tournament for all their students. For more information go to www.cmparksandrec.org or call 415-927-5072 option 1 or [click here](#)

Amazing Science Grades 1st-3rd

Join Amazing Science — the widest range of STEM, STEAM and science activities, and most experienced science teachers, in any Marin enrichment program! Amazing Science students improve critical thinking skills and general science knowledge through a wide variety of kid-pleasing science topics. Participants experience real science experiments, hands-on activities, and demonstrations, in scientific subjects such as chemistry, physics, geology, biology, engineering, and more! With over 130 lessons, our wonderful team of teachers can inspire love of learning and science in your child for as much as three solid years without using the same lesson twice! Lessons planned for Winter 2019 include: Aerodynamics; Chromatography; Electronic Circuits; Magic Potions 1; Salmon lifecycle; Why Why Why 1; Simple Machines 1 and 2; and more. Spring 2019 lessons include: Classification; Puzzles; Kids Vs Animals; Pulley Power (Simple Machines 3); Seeing 3-D; Sharks 1 and 2; Top Predators; Creek Water Lab and more. For more information go to www.cmparksandrec.org or call 415-927-5072 option 1 or [click here](#)

TinkerTech Inventors class and introduces a new TinkerTech Invent and Code at The Cove for 2019. Registration via Eventbrite - [click here](#).

Tidalwaves Swim Team Registration Opens January 9, 2019

TidalWaves Swim Team is a community-based swim team organized and run by parent volunteers. We are dedicated to providing access to high-quality competitive swimming in a nurturing and fun environment. Our swim practices, meets, and spirit events all promote not just improved swimming skills and physical fitness but also healthy self-esteem, sportsmanship, and a strong team spirit and achievement.

We are part of the Marin Swim League (a league of 10 community teams who compete within Marin County) and are open to boys and girls of all abilities ages 5-18.

The spring/summer program is our competition season and is run primarily at Redwood High School from mid-February through end of June. All swim practices are run by professional coaches. Parent volunteer commitment is required to run team events and meets. It's fun for the whole family!

- New family registration opens January 9th, 2019 and will fill up fast.

More details about our 2019 spring/summer season as well as our winter swim programs are available online at www.gowaves.com . Head Coach Marie McSweeney is also available to answer questions about your child's readiness for the team at mariemcswim@yahoo.com or 415-453-9563, [View Flyer](#)

Musical Teamwork Happens at BandWorks Summer Camp! For kids 8-17, BandWorks award-winning Rock n' Roll Camp is open to young beginners through advanced, older teen players. Top professional musician-instructors create a team environment while teaching kids the skills they need to play in a rock band! By the end of the week, students are rocking out in a live performance in the classroom. Locations in Oakland, San Rafael, and Los Altos.

For registration and more info about BandWorks Summer Camp, please contact us today at info@bandworks.com, 510.THE.BAND (843.2263), or visit the BandWorks website: [BandWorks Summer Camp](#)

Bandworks has been offering classes to kids and adults throughout the San Francisco Bay Area for 25 years. Our program teaches kids to play music and work together in a rock band setting.

Galileo Summer Camps Innovative Camps for Kids

Drawing heavily from the innovation process inspired by the Stanford d.school, we design and run a constantly-evolving series of programs for

kids from pre-K through 8th grade. For kids pre-K through 5th grade, there's Camp Galileo. For kids from 5th grade through 8th, there's Galileo Summer Quest. We also design and run camps for The Tech Museum of Innovation—4th-8th grade. For more information click [here](#) and [here](#).
