The Arlington High School Performing Arts Department stands in honor of the first inhabitants and our ancestors. We acknowledge that we are learning, speaking, and performing on the traditional territory of the Massachusett and Pawtucket tribes, part of the Algonquin group of Native Americans. We honor the generations of stewards and we pay our respects to the many diverse indigenous people still connected to this land. For more information about the Massachusett tribe and their culture, visit <http://massachusetttribe.org/the-tribe>.
