

Year 3 Feedback:

Instructions:

[Here](#), you can see the current guidelines. Think and reflect on your WP activities in Year 3, are there any best practices which should be included in our guidelines? Are there any reflections or best practices on the country-specific adaptations of the ExtenDT2 framework? Please write them down in the section below.

*Given that the deadline for our deliverables is approaching, we expect to receive your inputs **by the end of May (M33)**. You can upload your inputs into [this folder](#) or send it over to Isabella or Boban.*

1. Reflection on the best practices in your WP activities as examples to be included in the Guidelines:

2. General reflection on the country-specific adaptations of the ExtenDT2 framework?
