

Grade 3 Course C Coding

Success Criteria

- I can create a coding program.

Learning Intentions

- I am learning to locate bugs in a program.
- I am learning to translate movements into a series of commands.
- I am learning to predict where a program will fail.
- I am learning to break complex shapes into simple parts.
- I am learning to create a program to complete an image using sequential steps.
- I am learning to use numbers as angle measurements and distances.

-I am learning to break down a long sequence of instructions into the largest repeatable sequence.
