Privacy Policy

1. Introduction

This Privacy Policy explains how our game **Midnight Paradox** handles user data. Our game is **offline**, and we do **not** collect personal data.

2. Data Collection

- We **do not** collect, store, or share any personal information.
- We **do not** require any account creation or login.

3. Advertisements

- Our game displays **third-party ads** from Google AdMob.
- AdMob may collect **device-related information** to serve relevant ads.
- You can learn more about **Google AdMob's policies** here.

4. Permissions

Our game may require basic permissions such as:

- **Internet Access** (for ads)
