

# 360 video booth rental Huntington Beach

360 Photo booths have become more popular in 2022 and we cannot think of any social gathering without them going forward into 2023 Orange County events. The reason a Digital Orbit 360 cam has become a viral sensation is simple, a spin cam can provide next level video entertainment that is a no-brainer to book for your next Orange County event. The Digital Orbit 360 Cam is Orange County's Best 360 Video & Photo Booth and serves as the ideal conversation starter and brings more excitement and entertainment to any event. The Digital Orbit 360 Cam provides an unparalleled form of photo entertainment that will blow all of the other traditional photo booth options out of the water. No matter what type of event your are having, The Digital Orbit 360 Cam is the perfect way to pump up audience engagement for any Orange County corporate event, and would be great for themed galas, beach weddings, HS reunions, corporate meetings, birthdays, and any other special Orange County events The Digital Orbit 360 Cam is also a great way for your guests to remember an event in a whole new and special way, that a traditional photo booth cannot capture. With the increased popularity of the Digital Orbit 360 Cam, comes increased demand for video content creation. With the need for videos over photos, Lucky Frog Video Booth has introduced both our groundbreaking Digital Orbit 360 Cam and our contemporary styled viral video booth. Unlike traditional photo booths

with props and printed photos, The Digital Orbit 360 Cam produces a whole new video experience that is truly futuristic and ready to bring your event into the next century. While using our Digital Orbit 360 Spin Cam, your guests pose and smile on a 360 spinner platform, and then an HD camera rotates around in a complete circle, recording 360 degrees slow motion videos from all angles. Our Digital Orbit 360 Spin Cam is fully automated and easy for guests to use; it effortlessly records 360 degrees HD videos that can be shared instantly on social media platforms. Our Digital Orbit 360 Spin Cam booth for corporate events or conferences creates an elevated vibe by creating an attraction at your event; guests will be amazed by the new technology, and soon a large crowd will gather, watching others pose like a supermodel or rockstar. Our Digital Orbit 360 Spin Cam is completely different from a traditional sit-down photo booth, that only snaps a couple of pics then prints them out in a photo strip. Our Digital Orbit 360 Spin Cam is perfect for any Orange County corporate event or social gathering where are looking to create an event buzz. Our Digital Orbit 360 Spin Cam creates fun HD videos and customizes and brands them with your event theme and brand, making the videos a social media powerhouse. Renting our Digital Orbit 360 Spin Cam makes an unparalleled video experience for any event around Irvine and Aliso Viejo, Anaheim, Tustin, Buena Park, Yorba Linda, Costa Mesa, Fountain Valley, Lake Forest, Los Alamitos, Santa Ana, Mission Viejo, La Palma, and the Huntington Beach Coastal area along with La Habra, Long Beach, Fullerton, and Lakewood, as well as all of Orange County. Our Digital Orbit 360 Spin Cam is a unique immersive video experience that is in high demand; so your best option is us booking in advance to ensure your guests will be treated to this amazing video experience.
