Review Current Agenda – none

Citizens or Staff to Be Heard (Public Comment) - none

Letter to the Legislature – Jay shared the draft letter. Erin shared a letter as well; school choice is a big part of our communities. Discussion on whether the letters should be combined or have multiple letters. Jay noted the more voices from the community, the better. Discussion on a link in Parent Square for parents to communicate their thoughts to the State. The board will create a template letter that can be used in Parent Square. Dan noted doing a short direct letter from the board, and then each board member sends a letter. The board agreed with that approach. Matt will put the letters on Parent Square post also.

Meeting adjourned.
