

Week 1: Getting To Know The Field Of Human Services

This week we will get oriented to the class, and also to the Human Services program here at Clackamas. Don't forget that we have class **in person** on Wednesdays from 1-2:20 in the Family Resource Center (FRC). If you are unfamiliar with the building, it is between Douglas Loop and Highway 213, and also houses the YMCA Childcare Program.

The syllabus quiz must be completed by Wednesday, October 5th at noon. It will cover information from both the syllabus, and the plagiarism video, so make sure to watch that before attempting the quiz.

Learning Outcomes for the Week

- Discuss human services as a professional field.
- Summarize program requirements at CCC.
