Link Report for Stewardship – June 2020

Nothing to report at this time.

It will be appropriate to begin seeking a Stewardship Chair for the campaign this fall.

Link Report for Audit Committee – June 2020

The deadline for congregations to submit Financial Audit Reports has been extended to September 1, 2020. (originally June 15, 2020) (Source: Diocesan website)

I have written to the Bishop's Executive Assistance to confirm this and to inform her that we will not be able to do any work until the office reopens in mid July.

The committee chair is Sandy Malone. Second member is Carol Lee Stewart. We need a third member and Joseph suggested Chelsea, but I don't know if she has accepted.

There is a new simplified worksheet at this link:

<https://resources.ecww.org/sites/default/files/resources/DOO-AlternativeAuditWorksheet-200000orless.pdf>. It should make the task much easier.

Finance Committee - This group hasn't met recently.

Flower Guild - Mary is wondering if we want "Easter Flowers" (big flower display) at our first Sunday back in the church.

I would like to propose that we assign a new link to someone for keeping in touch with the building renters/users.
