- This is for the IT, Judge of Stroke, and other courses...

OFFICIAL INSTRUCTIONS

WELCOME TO THE SWIMMING CANADA E-LEARNING SYSTEM

Important: Please read the following instructions before starting an eLearning module:

1. Click on the STATUS Button to see the full list of eLearning modules. Each eLearning module will take about 30 minutes and includes activities and a quiz to test what you are learning. If you are using a smartphone, please ensure the mute button or ringer is set to "on". Please note that if you are using a tablet, you may be required to download an app (ex: Articulate Mobile Player) whether it be in printed format or [online](#).
2. If you would like to begin taking the eLearning module, please click on the ENROLL button.
3. The eLearning module will appear under SESSION. You have the option to complete each eLearning module over one or more sessions. The eLearning module will automatically save your progress in your chosen language.
4. Once you have registered for an eLearning module, the STATUS section will show that you are ENROLLED and IN PROGRESS. Once the eLearning module is completed, a green checkmark will appear.
5. Once you have completed the eLearning module, please click the FINISH button on last slide in order to complete the eLearning module. Once the FINISH button is clicked, you will receive a certificate of completion for the eLearning module.

We invite you to consult the [Swimming Canada Officials Certification Pathway](#) to understand the next steps in your certification process.

If you experience any issues or require assistance, please email education@swimming.ca.

ONLINE E-LEARNING MODULES FOR OFFICIALS

Swimming Canada's Learning Management System provides eLearning modules for officials.

The following eLearning modules are currently available for officials:

- Introduction to Swimming Officiating (formerly Timekeeper)
- Safety Marshal
- Chief Timekeeper
- Clerk of Course
- Canadian Para Swimming Online Deck Officials

The clinics are pre-loaded for you.
