I would like to announce the results and findings of the Wellness Triennial Assessment Meeting, which was held on May 16, 2024, at 4:00 p.m. in the Elementary Cafeteria. It was found that all schools in the Shenandoah Valley School District is in compliance with all aspects of the Wellness Policy and progress is being made to ensure the S.V.S.D. is promoting a healthy lifestyle for students and staff members. The local school wellness policy is available on the school website at svbluedevils.org. Policy is located under District documents, and then under pupils #246. The public is invited to contact the school with any questions or suggestions.
