Top Facebook Ad Agency

AdvertiseMint, the leading Facebook advertising agency, specializes in Facebook ads management. We generate more leads, customers, app downloads, and sales. With more than 2 billion users worldwide, Facebook has created an unique opportunity for businesses to reach their target audience with incredible accuracy and with any sized budget. With Facebook ads, you choose the type of people you want to reach, and we deliver your ads to them. We bring you results by delivering Facebook ads to a relevant audience most likely to convert.

Facebook ads operate on a bidding system, which means the person who bids the highest will have their ads shown first. Cost per click usually ranges between \$0.10 and \$5.00 depending on the targeting, industry, product, or service being advertised. While Facebook has ad solutions for local stores and global corporations, AdvertiseMint recommends spending at least \$100 a day to be able to get the most from the system.
