SAMPLE

[6.12] Number of activities organized by student organizations related to sustainability per year

Plastic Free Movement

Have you ever noticed how much plastic is used for the Turin nightlife?

Plastic Free Movida is an integrated system on an urban scale in agreement with some places in the city to reduce disposable plastic cups from nightlife, which allows the use of rigid, washable and reusable cups.

You can get a glass in a club (paying only 1 euro, which will come back to you when you return it) and easily return it to any of the other participating clubs.

Furthermore, Plastic Free Movida is a functional system for large events. In the summer of 2019, it was used at the TOdays Festival.
