

Canton Public Schools

Our Vision: An exceptional education that develops innovative thinkers, curious and empowered learners, and compassionate citizens

Our Mission: We are an inclusive, student-centered learning community that fosters academic growth, resilience, and achievement while ensuring that every member experiences a sense of belonging, embraces challenge, and positively impacts their world

Our Core Values: Respectful and collaborative relationships; Educational Equity; Academic and personal excellence; Community engagement; High-quality teaching, learning, and leading

Canton Public School Performing Arts: Music, Theater, Dance

Our Vision:

- To develop innovative musicians, actors, and dancers
- To use the performing arts curriculum to encourage curious and empowered learners
- To use the performing arts as a tool in building compassionate citizens

Our Mission:

- Provide an inclusive student-centered community in the performing arts classroom
- Foster academic growth, resilience, and achievement in music, theater, and dance experiences. Provide opportunities for students to embrace challenges in the Arts
- Create a sense of belonging in the performing arts classroom
- Use the performing arts as a pathway for students to positively impact their world
- Create art for art's sake
