

The Other Blog Prompt #3

This prompt has two steps.

Step 1: View and comment on at least 5 of your classmates' blogs (from period 1 or 2).

After reading their posts, you should leave a comment (there is icon at the bottom of each blog post). To leave a comment, you must be logged into your own blog. Your comment needs to be more than "Nice job!" or "I couldn't have said it better myself."

Here are some suggestions:

*Copy and paste a quote from their blog in the comment box. Then, respond with your own ideas on the topic.

*Ask a genuine question. Is there something you didn't understand or you need rephrased?

*Discuss your immediate reaction to their photograph.

Step 2: Choose one person's post to discuss more in depth on your own blog.

Now that you've read many of your classmates' blogs, choose one person's post (must be blog post #2) to explore more in depth.

Put a link to this post as well as the author's name on a new blog post of your own. Then, discuss your reactions to their photograph.

- What does the photograph mean to you as a viewer?
- What stands out in the photograph?
- What does the photo make you think about?
- Do you notice any contradictions in the photograph?
- Try to discuss the figurative, inferential, or hidden meanings of the photograph (beyond what is directly written on the chalkboard).
