

Homework Grid - Step 1

Space

Please choose one task per week.....

			
<p>Can you put all the space facts we have been learning into a fact file or a slide show? You can record yourself talking about it and upload it on Seesaw if you would prefer.</p>	<p>We have been looking at Mae Jemison - the first African-american woman in space. Can you carry out your own research and present it to the class?</p>	<p>Can you make a space mobile with the 8 planets we have been learning about?</p> 	<p>We have been learning about our galaxy. Why not try and make some healthy rocket snacks?</p> 
<p>Can you practise reading and writing the high frequency words we practise in class? These will be sent home with your reading book on Friday.</p>	<p>Can you find out what country is in the dark when the United Kingdom is in the light? Explain why that is in a few sentences.</p>	<p>Can you use junk modelling to create your own alien?</p>	<p>We begin each morning with a well-being time in school - why don't you start your weekend with some calming yoga: https://www.youtube.com/watch?v=d85dw-AcAaU Get your families involved and send in the evidence 😊</p>
<p>Please send any homework in on a Monday</p>			

You can email Mrs Vaughan: N.Vaughan@stmonicasprm.cardiff.sch.uk.
