

2nd Vice President Report - May 2025

Beverly Schumacher

At the 2024 Convention many, many DKG pamphlets were distributed. Training was done to 2nd VP offices at the officers' training.

Pins to 50 yr. members were distributed. Certificates of membership for members in 5 yrs. of membership increments were handed out at the President's Banquet.

There was one Chapter who achieved the Order of the Rose.

Since the 24 Convention, I have kept an eye on membership numbers coming from Peggy, Treasurer.

I attended the first and second quarterly State Board zoom meeting.

I wrote an article for the Alpha Nus in a Fall edition.

I took membership recruiting packets to Kim Schumacher in Cottonwood, ID. And talked with her about trying to get more teachers from her area interested in DKG.

I did the President's Message power-point presentation at a spring Kappa Chapter meeting in Fruitland. It was a nice meeting with 2 new members being inducted.

I missed the April quarterly State Board meeting but sent a report to Betty ahead of time.

I have been working the 2 months preceding the 2025 convention on confirming membership for awards. 50 yr. pins were ordered to supply the ID Chapter for at least the next 2 years.

The Necrology Service is planned for the 2025 convention with a small number of members who will be memorialized. In May I attended a convention planning meeting to scope out the possible locations for the Necrology Service.
