La la la la la la la la la la
La la la la la la la la la
La la la la la la la la la la
La la la la la la la!

Who's breaking things all over Kauai
Leaving a mess wherever she'll go?
Who wants a dog – or maybe a lobster?
Everyone knows it's Lilo!
(bomp bomp bomp bomp)

Six-twenty-six came down in a starship
Lost in a place that he didn't know
Who picked him up and called him her puppy?
Everyone knows it's Lilo!

And Lilo has big brown eyes
Her dog is a real surprise
It came from beyond the skies
To destroy us all **[repeat]**
To destroy us all **[repeat]**

La la la la la la la la la la
La la la la la la la la la
La la la la la la la la la la
La la la la la Lilo!
(bomp bomp bomp bomp)

Things aren't always bad when they're broken
Everyone's got a place they can go
Who's teaching us *ohana* means fam'ly?
Everyone knows it's Lilo!

And Lilo tells crazy lies
No matter how hard she tries
But family never dies
And she's found her own **[repeat]**
And he's found a home **[repeat]**

La la la la la la *aloha*

La la la la la la la la

La la la la la la *ohana*

Everyone knows it's Lilo!
