## Future Career and the Application of 21st Century Skills

Think about what you might like to do for a career after high school. Hopefully, it's something you already know at least a little something about. Complete the table about how you would use the 21st century skills in your future career below. Be as specific as possible. (For example, don't say, "I will use PROBLEM SOLVING when faced with a problem." Describe a kind of problem that may come up in that career.)

In my future career as a _____,	
I will use STRATEGIC READING when...	
I will use WRITTEN COMMUNICATION when...	
I will use ORAL COMMUNICATION when...	
I will use PROBLEM SOLVING when...	
I will use COLLABORATION when...	
I will use RESEARCH when...	
I will use TECHNOLOGY when...
