## EXPERIENCE

Herdsman | Strutz Farms Inc. | Two Rivers, WI  
August 2024 - Present | Megan Magely, (920) 905-4997

- Performed medical procedures on cattle to administer medications and treatments via IV, Bolus, Injection, and topical application. .
- Diagnosed cattle diseases and disorders and chose the best treatment based on age, body condition, milk production, manure condition, and overall wellness.
- Cared for 100+ post-fresh cows by administering rumilife Ca/24 bolus and monitored rumination post-calving, and 200+ calves by administering calf-guard and monitoring condition.

Herdsman | Milkinaire Dairy | Two Rivers, WI  
June 2023 - Present | Vanna Leichtfuss, (920) 379-0215

- Conducted proper procedures for sterile feeding of calves by practicing proper biosecurity and cleanliness, diagnosing scours/illnesses, and administering proper treatment.
- Repaired fences and farm equipment such as a barn cleaner and milking units.
- Maintained a clean and calm environment when milking cows by managing manure build-up and practicing proper animal handling when loading the parlor.

Volunteer | Mishicot FFA Service | Mishicot , WI

- 200+ hours volunteered
- Coordinated service projects as the Mishicot FFA President by reaching out for donations, and corresponding with community leaders,
- Worked with chapter members to bring their ideas to life such as a run to bring awareness to breast cancer with pink heels
- Managed service projects as Mishicot FFA President such as Project Linus which donates blankets to children living in poverty.
